NOTICE TO SHAREHOLDERS

Amendment to the Prospectus of the Company and the Key Investor Documents

Terms not specifically defined herein shall have the same meaning as in the articles of incorporation (the "**Articles**") and in the latest prospectus of the Company (the "**Prospectus**").

Luxembourg, 13, March 2025,

Dear Shareholder,

The board of directors of the Company (the "**Board**") has decided to update the Prospectus to reflect the new European Securities and Market Authority's (ESMA) Guidelines on funds' names using ESG or sustainability-related terms (the "**Guidelines**"¹).

The purpose of the Guidelines is to regulate the use of ESG or sustainability related terms in the funds' names. The Guidelines introduce new naming rules for funds, in line with their ESG investment strategy (the "**Naming Rules**").

Sub-funds using transition-, social-, governance-, environmental-, impact- and/or sustainability-related terms, as defined in the Guidelines, must comply with the following requirements:

- Have a minimum 80% of their investments used to meet either:
 - (i) environmental or social characteristics, for art. 8 sub-funds pursuant to SFDR², or
 - (ii) sustainable investment objectives, for article 9 sub-funds pursuant to SFDR.
- Comply with the exclusions provided by the EU Paris-Aligned Benchmarks³ ("**PAB**") or EU Climate Transition Benchmarks⁴ ("**CTB**").
- Additional obligations are specified for sub-funds using sustainability-related terms, which must commit to invest meaningfully in sustainable investments as defined in SFDR.

The Guidelines entered into force on 21 November 2024 for new sub-funds and will enter into force on **21 May 2025** for sub-funds created on or before 21 November 2024.

Please note that for the passively managed sub-funds of the Company, since the investment strategy is to replicate a given index, the Naming Rules can only apply to them if the constraints of the Guidelines are integrated into the underlying index methodology.

The following changes will be made accordingly in relation to the sub-funds listed in the Appendix I attached hereto.

(i) Name changes of the sub-funds

The name of the sub-funds mentioned in the Appendix I attached hereto will be amended to integrate the Naming Rules.

¹ ESMA, *Guidelines on funds' names using ESG or sustainability-related terms*, published on 14 May 2024 and updated on 21 August 2024.

² Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability - related disclosures in the financial services sectors (the "SFDR").

³ Paris-aligned Benchmarks as described in the Benchmark Regulation Delegated Regulation (CDR (EU) 2020/1818).

⁴ Regulation (EU) 2019/2089 of the European Parliament and of the Council of 27 November 2019 amending Regulation (EU) 2016/1011 as regards EU Climate Transition Benchmarks, EU Paris-aligned Benchmarks and sustainability-related disclosures for benchmarks.

(ii) Change of index name

The benchmark administrators of the indices may have decided to change the name of their indices in relation to the Guidelines' new requirements. The relevant indices are listed in the Appendix I attached hereto.

(iii) Change in the Index methodology

As indicated in the Appendix I, certain index methodologies will be changed to integrate the Naming Rules, which includes the addition of exclusions provided by the EU PAB to apply exclusions to companies involved in activities considered non-aligned with the Paris Climate Agreement (coal extraction, oil etc.), and if relevant other additional changes of methodology as further described in the Appendix I.

For further details on the relevant sub-funds and indices concerned by these changes, please refer to the Appendix I.

Importantly, the above changes do not represent a change to the investment objective, the investment policy, or the minimum proportion of sustainable investments of the relevant sub-funds, whose other characteristics remain unchanged.

Following the implementation of these changes, the Prospectus and the Key Information Documents of the relevant sub-funds will be amended accordingly.

The Prospectus and the Key Information Documents of the sub-funds listed in the Appendix I will be made available by the Management Company upon request at: 9, rue de Bitbourg, L-1273 Luxembourg, Grand Duchy of Luxembourg, or may be consulted on the following websites: www.amundi.com and www.amundi-etf.com.

Yours sincerely,

The Board
